PPG DURANAR PAINT SYSTEMS

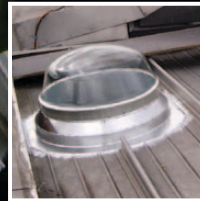

QUANTUM WALKWAY & HANDRAIL SYSTEMS

QUANTUM ACCESS HATCHES

STANDING SEAM CLIPS

SNOWGUARD

ROLL-A-FLEX

Pioneering aluminium roof welding specialist Melvyn Rowberry formed M.R.(Site Services) Ltd in August 2005.

M.R.(Site Services) Ltd carries all the knowledge and expertise gained over more than 25 years, with the attention to detail and service which the industry have come to expect from Rowberrys.

The brochures enclosed give an overview of the many services provided by MRSS.

These include site welding, application of PPG Duranar ADS paint systems, manufacture of bespoke fabrications, supply and installation of our **Quantum®** range and application of our **Roll-a-Flex** liquid membrane sealing system.

In addition, MRSS supplies and installs bespoke and standard **Quantum Access Hatches** including budget hatches and specialised smoke activated hatches as well as **Quantum Walkway and Handrail Systems**; specialised **Standing Seam Clips**; **Snowguards** and factory manufactured cranked sheets as used by most system manufacturers and roofing contractors.

Roll-A-Flex is our flexible reinforced sealing system developed to enable the company to provide an alternative weld-free service to the profiled metal roofing industry (similar to the works carried out on aluminium systems) such as penetrations, hips, valleys and other details requiring redevelopment of the roofing system.

For further information on any of the above services, please contact our superb support team:

- Melvyn - Managing Director**
- John - Contracts Manager**
- Simon - Estimator**
- Orson - Technical Manager**
- Maria - Site Services Manager**
- Amanda - Site Services Coordinator**
- Stacey - Administrator**
- Lesley - Accounts Manager**
